Right to Inspect and Obtain PHI

Policy

Patients have the right tocess oinspect their Protected Health Information ("PHI") contained in the Designated Record Setatients also have the right to obtain copies (papeleotroni) of their PHI contained in the Designated Record Set.

NYU LangoneHealth in limited circumstances, may deny this right. Patients may also have the right to an internal and/or the New York State Medical Access Review Board review of a denial.

All patient requests to inspect and/or obtain a copy of PHI must be submitted in writing in accordance **ith** NYU LangoneHealth proceduresNYU LangoneHealth will respond to all requests as soon as possible and in accordance with this Policy.

imposed for the creation of a summary or explanation

information in lieu of a patient exercising ith eight to inspect PHINYU Langone Healthmay of deny a patient's request to access, inspect pain copies of medical records lely because

Protected Health Information is preferred; however, the New York State HIPAA form is acceptable. Any other authorization must be valid under both New York State and HIPAA regulations. Consult the Privacy Officer as necessary.

The completed frm may be mailed or hand delivered to the appropriate address as indicated on the fm's directions Forms may also be faxed or emailed, dependent on location and availability to receive such format.

Patient requests for copies of HIPAAlated Authorizations do not require a signed Authorization form and can be provided to the patient at any time.

3. A patient's Personal Representative may request attoesspect the patient's PHI. NYU LangoneHealthshould generally grant or deny access in accordance with the procedures set forh in this Policy as though the PersonapPesentative were the patient, unless one of the following exceptions apply:

If a physician has certified that the patient lacks the capacity the impalth care decisions and a Personal Pesentative is designated, the U Langone Health must grant the Personal Personal Personal access to the patient's PHI, even if the patient would otherwise be denied access under this. Full access is required under New York State law to allow the personal representative to make informed decisions reiggrithe patient's health care. If a personal representative requests access to the PHI of a patient over the age of 12 years, NYU Langone Health may notify the patient and permit the patient the opportunity to object to such access by the Personal Represe if the patient objects, NYU Langone ealth may deny the Personal Representative's request for access. Consultation with the treating practitioner is reducifiere rendering a decision. NYU Langone ealth must provide writter notice of the decision to the Personal Persona

A parent or guardian is not entitled to inspect or obtain copies of any patient information concerning the care or treatment of a patient under the ageof 18 "minor") if the treating physician certifies that such access would have a detrimental effect on:

A Workforce Member will remain in the room to ensure that there is no tampering with any information, but remain at a reasonable distance to afford privacy.

Do not attempt to explain any information contained in the record, unless the Workforce Members is a licensed health care professional associated with the inspected record.

If the requestor asks to obtain copies, he/she must complete... the form.

13. Workforce Members need only produce the uested PHbnce (for inspection and/or obtaining copies), even if its maintained in more than one Designated Record Set

16. If the patient requests an internal reviewa denial

Workforce Members must promptly refer the request for review to the Senior Director of HIM or the Privacy Officewho will refer the matter as follows

- The Chief Medical Officer will review the denial of a request to access NYU Langone Hospitals records
- The Chief Clinical Officerwill review the denial of a request to access School of Medicine or Faculty Group Practice records.
- The Medical Director at the respective site review the denial of a request to access Family Health Centers NYU Langon Health and the Southwest Brooklyn Dental Practice records.
- If the above listed individuals participated in any manner in the decision to deny access, the Privacy Officer will appoint a reviewing official who is a licensed health care professional to review.

The Reviewing Official must:

- determine, within 15days from receipt of the request whether or not to deny the patient's request to inspect based on the permitted grounds for denial.
- promptly notify the referring department of his or her decision.
 - The referring department must provide written notice of the decision to the patient within 15 ays of receipt of the reviewing official's decision
 - If the Reviewing Official determines that access should be granted,NYU LangoneHealthmust provide access as set forth in this Policy.

17. If the patient requests review of the denial by the appropriate N()]TJ 0(e)4 (of)3 (hm8Yo)-2
